First Mini Bootcamp in Corquín

We have exciting plans for 2019. One of these plans began this month when a few Bible teachers from Mission UpReach in Santa Rosa came to Corquín to provide Mini Bootcamps. Mini Bootcamps are intensive Bible study for three hours each evening Tuesday through Friday. The first of our four planned sessions were held February 12-15th. We had twenty-two participants this month, both Christians and non-Christians. One of the things I kept hearing from those who attended was how much they enjoyed it and how much they learned. We are looking forward to seeing how God will use this tool to mature and grow the church here. Please keep this program in your prayers.

A New Brother in Christ

We would like to introduce you to Erlin. He is the brother of Flor, one of our Christians. He has been attending the Saturday evening Men's group and studying every week with Landon Anderson. On Sunday, February 10, he decided to put Christ on in baptism. We are so exciting for him and for the new life he has in Jesus. Please pray for him as he continues to study and grow in his faith.

Ladies Retreat in Alabama

This month Kris was invited to speak at a women's retreat hosted by the Spanish Fort Church of Christ. While in the US, she was also able to visit with our sons in Atlanta, GA and Lexington, SC.

So, this happened...

A week before leaving for the States, Kris broke a bone in her foot.
